## DESCRIPTION

"If One is Good, Then Two is Better!" Our Moylander Double IPA is fat and resiny, with aggressive and excessive hops swinging on an enormous malt backbone like naughtily monkeys swinging on a vine. Double malt, double hops - do the math! It's academic! This brew has twice the things you're looking for, and it's big enough to share with the ones you love. And isn't that what it's all about?
